HELPFUL EXHIBITOR TIPS

- **Arrive to the show BEFORE it opens** so you can prepare for the day. If you don't, you may never know if the first person that went by might have been your best sale at the show.
- **Work at the front of your booth and be accessible.** Greet your potential customer with a "Hello – may I answer any questions?"
- **Stay in your booth until the show closes.** Some of the best sales are made as the lights are dimming in the hall.
